DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10, 28-32 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1-9, 28-32, see Examiner's statement of reasons for allowance as indicated in Paper mailed on 3/23/2006.

Regarding claim 10, the prior art of the record fails to show or fairly suggest a method of capturing and recording video images comprising capturing a sequence of video images of a scene wherein said sequence comprises third video images of said scene captured at a third exposure level different than said first and second exposure levels, with said second and third video images being interspersed among said first video images in said sequence; generating third video image signals representative of said third video images; utilizing said third output video signals to generate a display of said third video images concurrently with and in side-by-side relation with said displays of said first and second video images.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
